## safety notice

## let's work together to keep our community safe

Terry Fox School is working with the Falconridge-Castleridge Community Association to improve the safety of pedestrians and vehicles.

There have been several incidents resulting in vehicle damage and significant safety risks to students and members of the public walking near our school and the area surrounding the Community Association.

Let's do our part to keep our students safe:

- Drop off your child in the designated drop-off zone only located on Falshire Drive N.E. between the community centre and school driveway entrances.
- Make a pick-up plan with your child. Choose a designated spot near the school. Pick a place that your child can walk to and you can safely park your car. Arrange to pick up your child between 3:35 and 3:45 p.m. when the street is less busy.
- Consider alternative transportation. City transit may be an option if you live far from the school or if you live close to the school, have your child walk to and from school.

Let's do our part to respect our community neighbours:

- Avoid parking at the Falconridge-Castleridge Community Association. The parking lot directly north of the Community Association building and west of Terry Fox School belongs to the Falconridge-Castleridge Community Association. At no time should CBE staff, parents and visitors park in this area. Parent vehicles parked in this lot during pick up/drop-off times will be asked to move.
- There is no space for drop off/pick up within the school parking areas.

Thanks for doing your part to make a positive difference for our students and our community.

If you have any questions, please raise them at an upcoming school council meeting. Visit our website for details.
